Ages  
2+

Text: Annie Langlois

Illustrations: Sébastien Boulanger  
and Ghislain Martineau

Today is a very important day.  
Kittycat's friends are coming over.

**And he's taken ALL his toys  
out to play.**

Kittycat's also taken a different sort of toy out.

This is  
my  
book!

His friends turn the pages and look at the pictures.  
They Ooh and Aah, and even Oh My!

But that's not all...

Kittycat's book is even better than a toy!

clippity-clop!  
clippity-clop!

Trotter uses it as  
a mount. Ready for  
an adventure?

Pippin uses it as a puppet.  
Hey now! The show is about to start!

But that's not all...

Kittycat's book is worth more than gold!  
You can do anything with it!

Owly looks for a recipe...

Quackers wants to sing a song.

But that's not all...

Kittycat's book is better than a knickknack.

It turns into  
a boat...

or a sled...

**Or even  
a castle!**

**But that's not all...**

Kittycat's book is better than a treasure...

Snuggled close to Kittycat's mommy, all the friends discover a wonderful story together.

They Ooh, and Aah and even Oh My!

Once upon a time...

Oh My!

A blue-toned illustration of a person's face, shown from the nose up, with a slight smile. To the right, a small nightstand with three drawers and legs is visible. A thin line connects the nightstand to the text below.

**Do you think that's it?  
No, not all!  
Kittycat's book is even better  
than a blankie...**

**- Good night, good night,  
my very own book!**

**This book is YOUR book!  
Your very own book, you sparkly  
book, your blankie book!  
A book just for you, dear reader...**
